SNAPSHOT Ukraine

In 2023, NRC supported 474,214 total direct project participants (TDPP) in Ukraine covering WASH, Shelter, Cash, Livelihoods and Food Security (LFS), protection, ICLA, and Education assistance as part of its response efforts. Humanitarian assistance was delivered from four area offices: North (Kyiv), East (Dnipro), South (Odesa), and West (Lviv), and sub-offices in Ternopil, Kharkiv, and Chernihiv, supported by a coordination team in Kyiv. This factsheet provides an overview of key figures per area and core competency.

The map below provides a breakdown on the number of total direct project participants (after eliminating double-counting within and across core competencies) assisted across NRC's four area offices.
